

ACTRESS TELLS SECRET

Tells How to Darken Gray Hair With a Home-Made Mixture.

Jolsey Williams, the well-known American actress, recently made the following statement about gray hair and how to darken it, with a home-made mixture:

"Anyone can prepare a simple mixture at home that will gradually darken gray, streaked or faded hair, and make it soft and glossy. To a half-pint of water add 1 ounce of bay rum, a small box of Barbo Compound, and 1/4 ounce of glycerine.

These ingredients can be bought at any drug store at very little cost. Apply to the hair twice a week until the desirable shade is obtained. This will make a gray-haired person look twenty years younger. It does not color the scalp, is not sticky or greasy and does not rub off."—Adv.

PIMPY? WELL, DON'T BE

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Clear the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there is no sickness or pain after taking them. Dr. Edwards' Olive Tablets do what calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with a "dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. 15c and 50c.

CONVINCING PROOF

That Lydia E. Pinkham's Vegetable Compound Has Extraordinary Curative Power in Cases of Woman's Ailments

Columbus, O.—"I suffered very much pain during my monthly periods and felt weak and all run down. I tried many medicines and all to no avail. I then read of Lydia E. Pinkham's Vegetable Compound and the doctor said I would have to have an operation. Then before my baby was born I had terrible pains in my sides. I took Lydia E. Pinkham's Vegetable Compound and it helped me wonderfully. I have had two children since I began taking your medicine and all of my own work including washing while carrying them. I can also recommend Lydia E. Pinkham's Sanative Wash. You may use this letter as a testimonial if you wish."

—Mrs. Thomas L. Christy, 704 West Mount St., Columbus, Ohio.

Such a condition as Mrs. Christy was in points directly to a deranged condition of a woman's system, and by following her example taking Lydia E. Pinkham's Vegetable Compound, women may be relieved from such ailments and be restored to normal health and strength just as she was.

WAS HE FRAMED?

Counsel for Thomas Mooney Declares Witness Confessed.

Perjury Charged by One of Prosecution's Links.

DECLARES HE WAS COACHED

San Francisco Officers Charged With Big Plot.

Mooney Sentenced to Death, But Sentence Commuted.

New York, Feb. 8.—Frank P. Walsh, counsel for Thomas J. Mooney, convicted of murder in San Francisco in connection with the preparedness day bomb explosion in 1916, early today telegraphed San Francisco authorities, appraising them of an alleged confession by one of the witnesses in the case that he had given perjured testimony at the trial.

A special grand jury now is investigating an alleged conspiracy to convict Mooney. The witness named by Walsh was John McDonald, now a resident of Trenton, N. J., with whom Mr. Walsh had a long conference last night.

Frank P. Walsh, McDonald declared in an affidavit covering thirteen typewritten pages that the case against Mooney was a "frame-up." "McDonald informed me," Walsh said, "that he could not identify Mooney as the man he had seen with a suit case prior to the preparedness day explosion, although he identified Mooney during the trial. He said District Attorney Pickert, the father of the case, had forced him to make the identification."

Mr. Walsh quoted McDonald as saying he was induced by District Attorney Pickert and Police Captain Mathison of San Francisco to visit Mooney's cell and that also occupied by Billings and that also occupied by Billings and that also occupied by Billings.

Witnesses Were Coached.

McDonald is alleged to have stated he was coached with other witnesses in the case. He asserted he fixed the time of seeing a suitcase dropped at 1:30 o'clock in Billings' trial. In the Mooney trial he stated that at the instance of Assistant District Attorney Edward Cunha he changed the time to 1:30 o'clock in order to break Mooney's alibi.

Nine persons were killed in the preparedness day explosion. Mooney was sentenced to death and Billings to life imprisonment. After every appeal from the sentence had failed, President Wilson intervened in Mooney's behalf and the sentence was commuted to life imprisonment.

The first charges in which the prosecution of Mooney was characterized by a frame-up, were made recently by Police Inspector Draper Hand of San Francisco, another important figure in the case.

PENSION FOR TEACHERS

State Insurance Provided in Bill Before the Legislature.

State insurance for teachers thru creation of a state annuity fund is urged by Griffin of Bourbon county in a bill introduced in the house. Old age pensions, based on term of service, would be provided under the bill.

The fund to be used in payment of pensions would be created thru an installment payment plan for the teachers. In short the teachers would provide their own fund. Persons who have taught ten years or less would pay \$15 a year; from fifteen to twenty years, \$24; and over twenty years, \$30 a year. No teacher would make more than thirty annual payments under the plan.

TAKE OVER HISTORICAL LAND

This Bill, Similar to Coleman Measure, Introduced in House.

Passage of a law permitting the state to take over lands of historical value and interest thru condemnation proceedings has been proposed in the house by Uris of Johnson county. The bill was introduced that the state might acquire the Shawnee mission in Uris' home county.

A number of places in the state of historical interest might be acquired under the enactment. State possession of the Shawnee mission, then, was the object in mind of the Johnson county member. A similar bill was introduced in the senate by Senator Rolia W. Coleman.

'Jest As It Wuz At The Theatre' By Ki.

Actors run true to types and when cast out of their particular type are like fish out of water. Only once in a while one manages to make himself at home in several kinds of types and when that happens, we have a star of the first magnitude.

When one of the other kind gets out of type, he is lost and his mediocrity is shown up with a bang. From then on that star of dimmed brilliancy fades out of the firmament. Films showing three stars of the latter classification and one of the other are in Topeka theaters this week.

AT THE ORPHEUM Theatre has in "Silk Hosiery" a story that fits her particular type and gets away with it big. It is a lively little story with plenty of action, well staged and full of humorous stuff. It is something one can see, enjoy and then go away and forget with no strain on the mental processes. This seems to be the kind of movie the great mass of Topeka fans like best.

JOLLIFFE DOESN'T LIKE IT

Marion Millionaire Will Move to Coast If Tax Bill Is Passed.

If some unknown legislator carries out a rumored threat and introduces an income tax bill, Representative Jolliffe expects to move to California.

Jolliffe has been told that the bill will cost him \$646 a day. The Marion county member owns hundreds of acres of valuable oil lands in the Peabody-Florence field and is in the new millionaire class.

Several days ago Jolliffe was told of the plan to introduce the bill. It is expected to provide a heavy tax schedule for persons who attain sudden wealth. Jolliffe believes Kansas has already overstepped the bounds in passage of laws which discourage location of wealth in this state. If the bill becomes a law, the Marion member is quoted as saying, he expects to move to California.
